

User Stories:

Story Title	User Story
User Login	As a registered user I want to log on to Goldpath.com using my username and password.
User Signup	As a guest user, I want to sign up for an account to be able to utilize all features from the site.
User Logout	As a user, I want to log out whenever I need to exit the website and keep my account secure.
Resume Creation	As a user, I want to be able to easily create a resume without having to worry about the hassle of formatting it and making it look nice, especially if I don't have the skills to do that. I want the process to be easy.
Resume Editing	As a user, I want to be able to edit my existing resume as I move forward in my academic and career life.
Template Choice	As a user, I want to choose a suitable template for my resume in order to appeal to different employers.
Resume download	As a user, I want to save my resume to my computer in order to share it across various platforms.
Cloud Save	As a user, I want to save my resume to the cloud so that I can easily access it from any device.
Resume Deletion	As a user, I want to be able to remove any resumes that I don't need or want
Form Filling	As a user, I want to know which fields in each form are necessary for filling out my resume.
Update Basic Info Form	As a user, I would like to add or edit the basic information in my resume, like name, phone number, address, and email.
Update Completed CourseWork	As a user, I would like to add or edit any relevant coursework information for my resume, including the name of the course, year taken, grade, and (optionally) the associated institution.
Update Projects	As a user, I would like to add or edit any relevant projects in my resume, including its name, year, and a brief description.
Update Relevant Skills	As a user, I want to be able to update new tech-related skills as I learn them along with specifying a proficiency level to indicate my experience with each relevant skill.
Update Job Experience	As a user, I want to be able to update my job experience by time period and choose how far back it should be displayed in my resume and in what order.

Arrange a time for testing with the course team: **March 14 - 19, 2022**
