  - Users can apply for jobs recommended by recruiters
- Additional Resources
  - Links to helpful websites such as <https://compass.charlotte.edu/> that help build skills.

Solutions sketches (Competency Hub, Application Center, Additional Resources):

The image contains two hand-drawn wireframe sketches on a grid background.

**Skills Section:** This sketch shows a list of skills on the left and a list of potential jobs on the right.

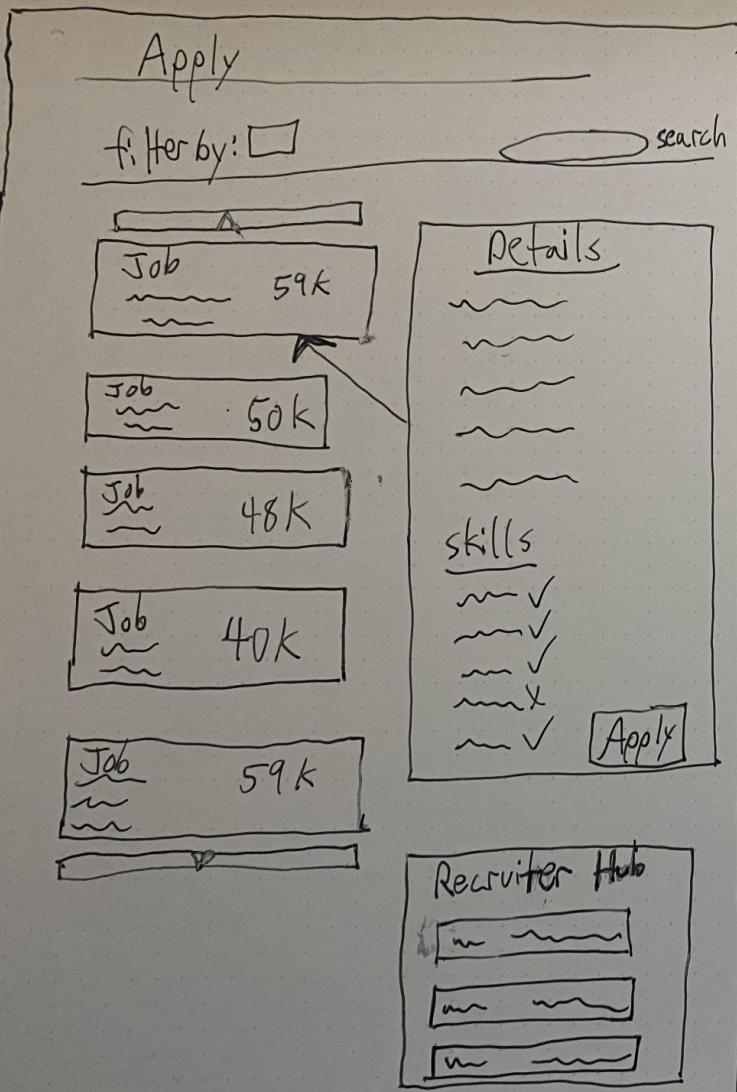

- Skills:** A vertical list of items, each consisting of a skill name followed by a wavy line and an 'X' or checkmark. The items are:
  - X skill 1
  - ✓ skill 2
  - ✓ skill 3
  - X skill 4
  - X skill 5
  - ✓ skill 6
  - ✓ skill 7
  - X skill 8
- Jobs:** A horizontal list of four job entries, each with a progress bar and a percentage.
  - Job skill 1 75% ↑
  - Job skill 2 80% ↑
  - Job skill 3 20% (?)
  - Job skill 4 90% ↑

**Competency Hub:** This section is titled "Competency Hub" and includes a descriptive note.

**Notes:**

- The list on the left shows which skills have been completed with links to the skill activities.
- In the middle of the page, a list of potential jobs is shown with the percent of skills the user has.
- The bottom of the page highlights parts of the resume that could be improved.

**Resume Improvement:** This section shows a large rectangular area representing a resume, with a small icon labeled "Edit" in the top-left corner.

### Application Center

- users can apply for jobs based on their resume

Notes:

- left of page: list of jobs based on filter or search
- right of page: enlarged details of job with direct apply button
- bottom of page: recruiter hub where recruiters can post recommended jobs
